

2 April 2020

Dear Parents and Carers,

Thank you for your ongoing partnership with us through these tumultuous times.

This afternoon the Prime Minister announced a free child care package for essential workers. The details of this package have not yet been released. Until the details are released, we are unable to provide any guidance on what impact the package might make to our fees for Prep.

It is possible that this package won't apply to our Prep programs. Our programs are funded by the State Government of NSW through their 'Start Strong' program. Long daycare centres, and before and after school care services, are funded by the Federal Government through the Child Care Subsidy.

Until we know whether this package applies to all services or just Child Care Subsidy services, we cannot give guidance on any fee reductions. If we are eligible, we will need to fully understand the criteria they will put in place to determine who is eligible as an essential worker.

As soon as the information comes to hand, we will update you.

Yours sincerely,

Rob Thomas  
Business Manager
