

ILLAWARRA CHRISTIAN SCHOOL

23 March 2020

Dear Parents and Carers,

The Prime Minister and National Cabinet have again stated last night that schools should remain open. For this reason Illawarra Christian School will continue to remain open.

However, this morning the NSW Premier has asked parents who are able, to keep their children home from Tuesday 24th March (tomorrow).

It is not possible for teaching staff to deliver two formats of learning – both face-to-face learning and online learning. Therefore, we have made the decision that Illawarra Christian School will deliver an online learning format for both those learning at school and at home.

Our online learning will take place through SEQTA. Please find attached documents outlining how you can access your child's online learning platform, as well as the protocols and expectations.

We are still required to monitor student attendance during this period. For this purpose, please indicate your intentions for your child's schooling by calling the school office, or online via the Google Form which we will send today via SEQTA direct message.

Thank you for your support.

Simon Lainson
Principal.
